

SPECS – Process – Instructions to applicants

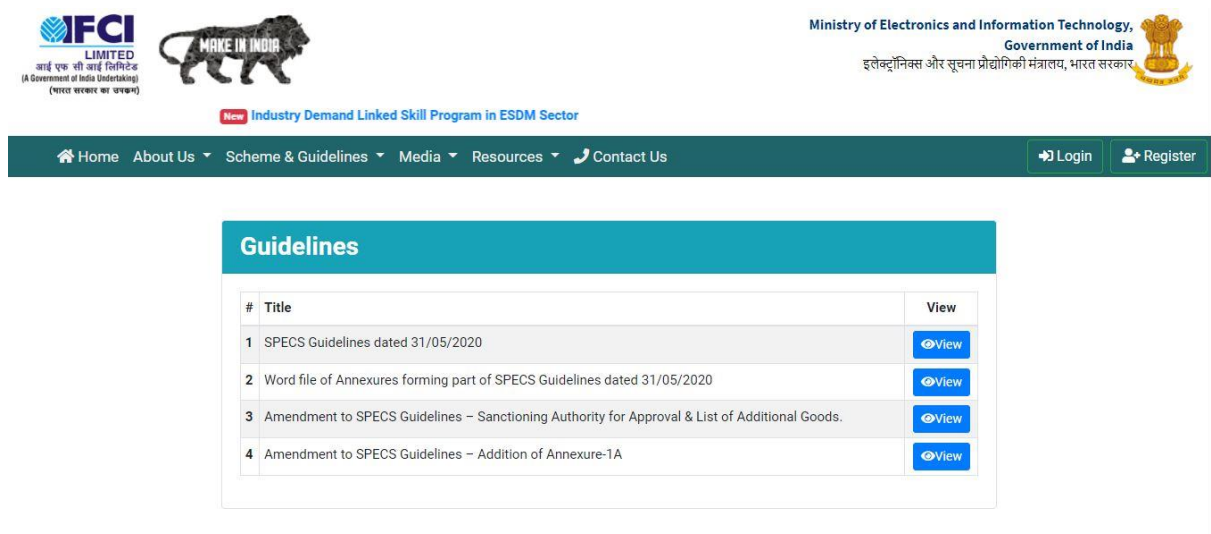

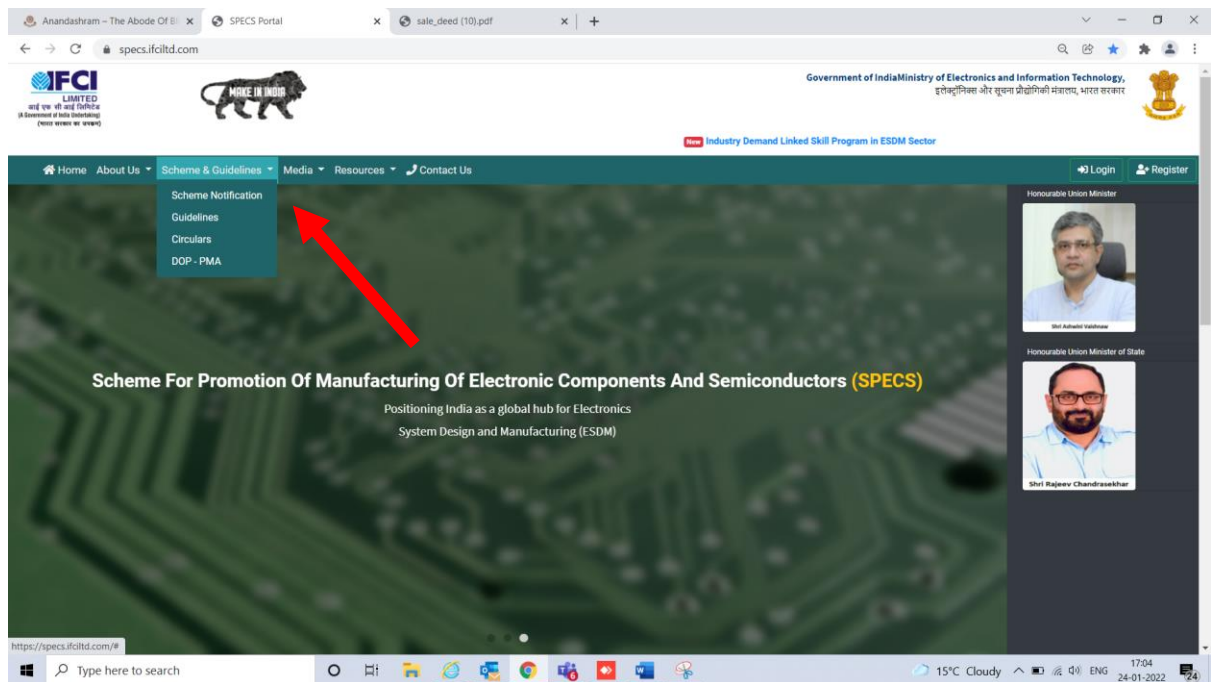

- i. **Applicant may first open any Internet browser such as Google Chrome, Firefox etc. and type SPECS IFCI on Google search tab. Browser will show page result as given below:**

- ii. **Now, Applicant needs to click on <https://specs.ifcilt.com> and SPECS portal will open as below:**

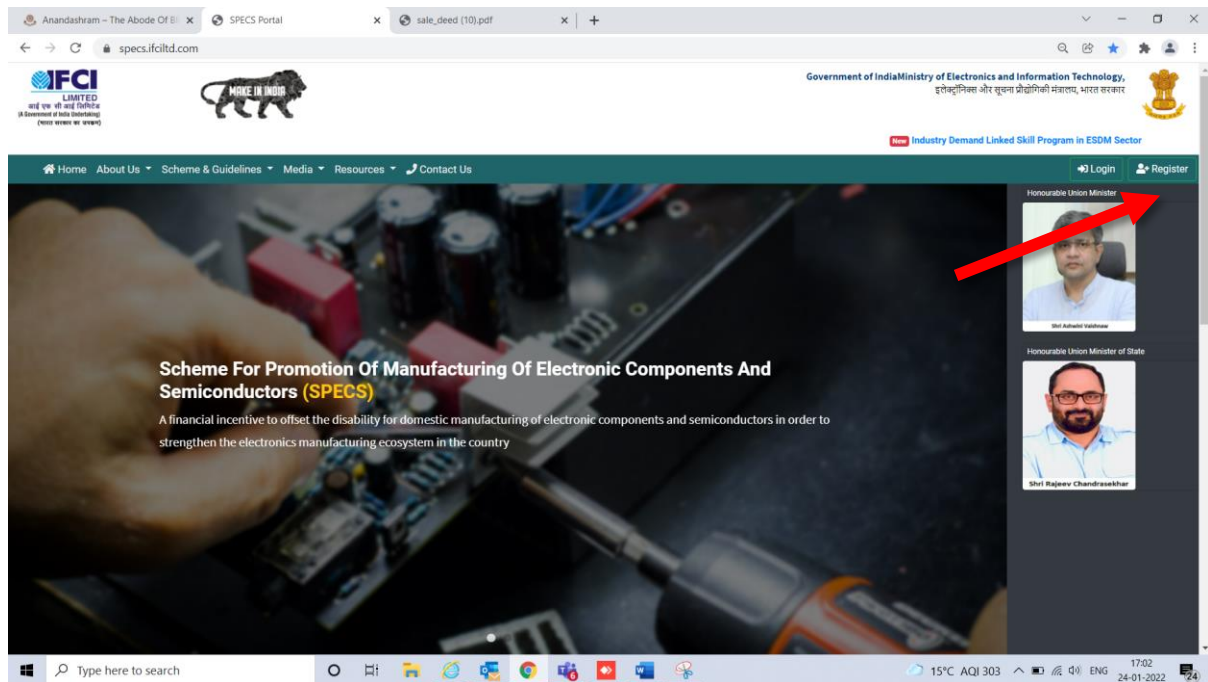

iii. **Please go through the Scheme/Notification and guidelines first, from the SPECS online portal, from the following:**

Please check the eligibility of the proposed product for which you intend to apply under SPECS (refer Annexure-1/Annexure-1A of the SPECS Guidelines and the Amendment to SPECS guidelines) from the above.

- iv. **Applicant has to ensure the eligibility of the proposed product as per SPECS guidelines. Only when the product eligibility is ensured, Applicant needs to click on Register Button for initial registration, as shown below:**

- v. **After clicking on Registration button, Registration Form will open as below:**

Applicant Registration

Applicant / Company Details

Name of the Applicant / Company:

PAN:

CIN:

Type of Legal Entity:

Registered Office Address:

City:

State:

Pincode:

Please note that the user will login with the PAN as username.

Authorized Person Details

Name:

Designation:

Email:

Mobile:

Password:

Confirm Password:

Email will be verified after registration

Mobile will be verified after registration

Password must be minimum 8 characters and contain atleast 1 Uppercase, 1 lowercase, 1 Number and 1 Special Character.

☐ I agree to the [Terms and Conditions](#)

- vi. Applicant needs to enter the above details as asked in Registration form, then, check on button for "I agree to the Terms and Conditions" and then click on Register button
- vii. After clicking on Registration button, Applicant will get Email as below:

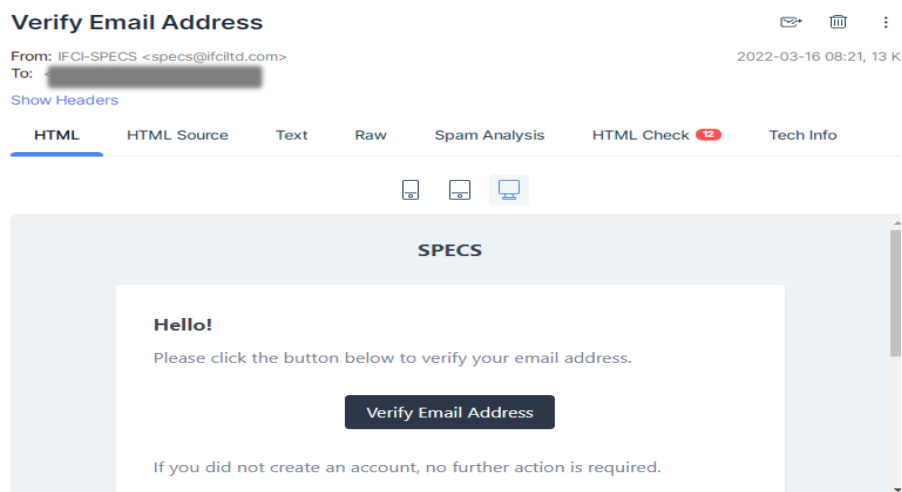

TEST COMPANY

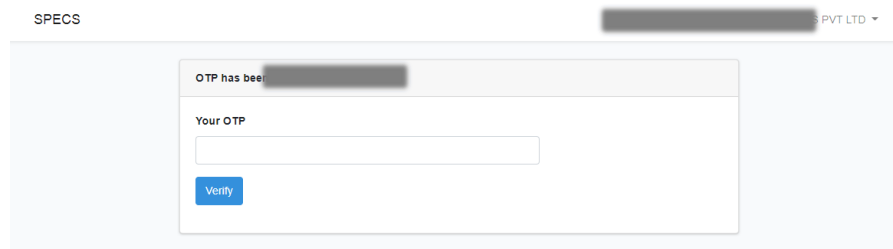

Please read the following information carefully. Following steps are further required from the Applicant to complete the registration :-

- **Applicant has to verify E-Mail and Mobile provided during registration**
You will receive another E-Mail with a verification link and a One Time Password (OTP) on the registered mobile number.
- **Please Submit a copy of PAN card of Applicant and government recognised photo ID of Authorised Person along with documentary proof of his official role in applicant company via email to specs@ifcilttd.com**
- **Your Login will be activated/enabled post verification of the KYC Documents.**

- viii. Applicant now needs to verify email address as received through another email as shown below:

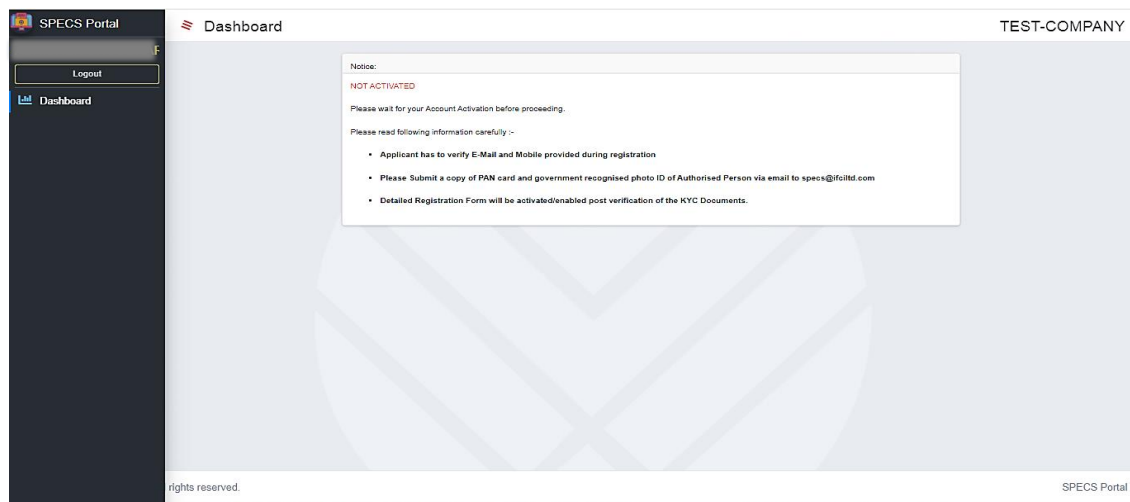

- ix. **Applicant will receive the OTP on Registered Mobile number as well as on Registered Email-id which needs to be entered and then press "Verify" button.**

The screenshot shows the SPECS portal interface. At the top, there is a header with 'SPECS' on the left and a dropdown menu showing 'PVT LTD'. Below the header, there is a central box containing the text 'OTP has been sent to your registered mobile number and email id'. Below this text is a label 'Your OTP' followed by a text input field. At the bottom of the box is a blue button labeled 'Verify'.

- x. **After OTP is verified by applicant, portal will show the following message:**

- xi. **Also, KYC Documents to be submitted by the applicant by e-mail are as under:**

- Documents pertaining to Applicant, viz. copy of PAN, GST, and Certificate of Incorporation of the applicant (wherever applicable) are required to be sent by email to specs@ifcilttd.com
- Govt. recognized photo ID of Authorized Person along with documentary proof of his official role (viz. Office Identity Card, official e-mail and contact details etc.) in Applicant (company), are to be sent by applicant by email to specs@ifcilttd.com (It may be noted that only the employees / directors / KMPs of Applicant can be the Authorized Person, since all communication/alert messages would be sent only to such Authorized Person).
- Post receipt of Applicant KYC docs by email, IFCI will check the said documents and then activate the login of the applicant.

- xii. **IFCI, after verifying the KYC documents, will activate the log-in ID of the applicant. On activation, applicant may proceed for 'Detailed Registration details' process, as shown below:**

The screenshot shows the SPECS Portal Dashboard for a user named 'TEST-COMPANY'. The left sidebar contains links for 'Logout', 'Dashboard', 'Detailed Registration', and 'Registration Form'. The main content area displays a 'Notice' box with the following text:

NOTICE:

NOT INITIATED

Please click [here](#) to submit your Detailed Registration details.

Please read following information carefully :-

- Scheme Application Form will be activated/enabled post verification of the Detailed Registration Data.

The footer of the page includes 'rights reserved.', 'DBeaiver 21.2.5 - <specs> Console', and 'SPECS Portal'.

- xiii. **Applicant needs to click on "Click here" to initiate filling of Detailed Registration form. It will appear as below:**

The screenshot shows the 'Applicant Detailed Registration' form in the SPECS Portal for 'TEST-COMPANY'. The form is divided into several sections:

Applicant / Company Details

(Fields marked with * are mandatory)

Name of the Applicant / Company: TEST-COMPANY

PAN: [Redacted]

CIN: [Redacted]

Type of Legal Entity: Partnership

Tax Account Number (TAN): TAN

Website: https://www.example.com

Date of Incorporation*: dd-mm-yyyy

SPECS Portal

xvi. **After clicking on Submit, portal will show a message as below:**

xvii. **After submitting, Portal will show a Success message as below:**

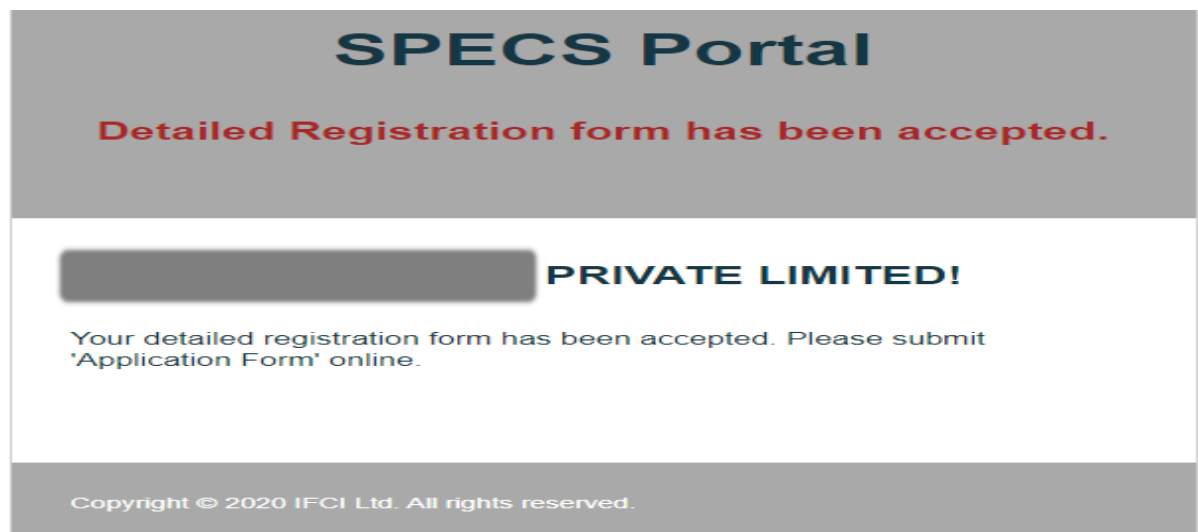

xviii. **Applicant will also receive an email confirming submission of application as below:**

Note:

- i. One **applicant needs to register only once**, irrespective of multiple projects, if any.
 - ii. **Post-applicant log-in activation, application must be registered.**
 - iii. One application is to be submitted for one project of the applicant.
- xix. **Now Admin needs to activate the Detailed Registration form after verifying all the credentials. After activation from Admin side, Applicant will receive another email as below and will be able to fill application form on portal.**

- xx. **Now, Applicant can click on “Create New Application” to initiate filing of Application form.**

The screenshot shows the 'Applications Dashboard' in the SPECS Portal. On the left is a sidebar with navigation links: Dashboard, Detailed Registration, Registration Form, Applications (with sub-links Overview, Application Status, and Documentation), and Reports. The 'Overview' link under 'Applications' is highlighted with a red 'New' tag. The main content area has a header 'Applications Dashboard' and a user profile 'PRIVATE LIMITED'. Below this is a green button labeled 'Create New Application', which is pointed to by a red arrow. Underneath the button is a table titled 'Applications' with columns: Sr No, Application No, Project, Applied Capex, Product, Status, Creation Date, Submission Date, and Action. The table is currently empty, showing 'No data available in table' and 'Showing 0 to 0 of 0 entries'. There are search and pagination controls at the top and bottom of the table area.

- xxi. **Application form will appear as below, where applicant needs to enter all the information as required.**

The screenshot shows 'Section 1 - Applicant / Company Details' in the SPECS Portal. The form is titled '1.1 Applicant / Company Details' and includes a note: '(Fields marked with * are mandatory)'. The form fields are organized into sections:
1. **Company Identification**: Name of the Applicant / Company* (PRIVATE LIMITED), PAN* (redacted), Type of Legal Entity* (Private Limited Company), and Date of Incorporation* (redacted).
2. **Tax and Identification Numbers**: CIN (redacted), TAN (redacted), GSTIN (redacted), and Import Export Code (IEC) (redacted).
3. **Website*: A text field for the company website.
4. **Registered Office Address*: A section with fields for Address (redacted), City* (BANGALORE), State* (KARNATAKA), and Pincode* (redacted).
5. **Corporate Office Address*: A section with fields for Address (KARNATAKA), State (KARNATAKA), City (BANGALORE), and Pincode (560100).
6. **Public Listed*: A dropdown menu set to 'No', with checkboxes for NSE, BSE, and Other.
7. **Background / Company Profile / Nature of Current Business / Experience of Applicant / Company*: A large text area for detailed information.
At the bottom, there is a red note: 'Detailed Company Profile / Corporate Presentation to be uploaded in Document Upload section'.

- xxii. **On each page of Application form, there is “Save as Draft” so that no information once filled is missed**

The screenshot displays the 'Registration Form' in the SPECS Portal. The form includes sections for 'Registered Office Address', 'Corporate Office Address', 'Public Listed' status, and a 'Background / Company Profile / Nature of Current Business / Experience of Applicant / Company' section. A 'Save as Draft' button is located at the bottom right of the form. The left sidebar shows navigation options like 'Dashboard', 'Detailed Registration', 'Registration Form', 'Applications', 'Overview', 'Application Status', 'Documentation', 'Reports', and 'QUARTERLY REVIEW REPORT'.

- xxiii. **There are several pages in Application form, which needs to be filled by applicant as below:**

The screenshot shows the 'Applications Dashboard' in the SPECS Portal. A modal titled 'Application Sections Overview' is displayed, showing a progress bar with 17 sections: 1. Company Details, 2. Management Profiles, 3. Ratings, 4. Financials, 5. Group Details, 6. Project Details, 7. Product Details, 8. Operations Analysis, 9. Size of Investment, 10. Sources of Funding, 11. Key Milestones, 12. Regulatory Framework, 13. Forecasted Revenue, 14. Forecasted Returns, 15. Employee Details, 16. Market Research, and 17. Free Details. The modal also includes an 'Edit' button and an 'Okay' button. The dashboard background shows a 'Create New Application' button and a table of applications.

Note: While filling each page of application form, Applicant may please refer SPECS guidelines and ensure all the details entered should be as per asked in guidelines and upload all requisite document as wherever asked in application form. As all pages are designed in such way that it covers each section of SPECS guidelines.

Applicant needs to fill ONLY in white (blank) fields.

Application form

- i) At this stage, applicant would be given access to the next step of entering into the application initiation process.
- In all sections, there is "Save as draft" button provided at end of page so that no information once filled gets missed out.

C. List of goods with Minimum Investment Threshold Limit of INR 25 crore

☐ C-01 Micro/Nano-electronic components such as Micro Electro Mechanical Systems (MEMS) and Nano Electro Mechanical Systems (NEMS) Components

☐ C-02 Assembly, Testing, Marking and Packaging (ATMP) units for semiconductor integrated circuits, also known as Outsourced Semiconductor Assembly And Test (OSAT) ATMP

D. List of goods with Minimum Investment Threshold Limit of INR 75 crore

☐ D-01 Mechanics (plastic and metal parts) for electronic applications Sub-assembly

E. List of goods with Minimum Investment Threshold Limit of INR 250 crore

☐ E-01 Compound Semiconductors such as GaN, SiC, GaAs, etc. and Silicon Photonics devices/ Integrated Circuits, Optoelectronic components Semiconductor

☐ E-02 Solar Photovoltaic(SPV)Cells Semiconductor

F. List of goods with Minimum Investment Threshold Limit of INR 500 crore

☐ F-01 Semiconductor Wafers Semiconductor

☐ F-02 Solar Photovoltaic(SPV) Polysilicon Semiconductor

☐ F-03 Solar Photovoltaic(SPV) Wafers Semiconductor

G. List of goods with Minimum Investment Threshold Limit of INR 1,000 crore

☐ G- Semiconductor Integrated Chips (ICs) including Logic (Microprocessor, Microcontrollers, Digital Signal Processors (DSP), Application Specific Integrated Circuits (ASICs) Semiconductor

QUARTERLY REVIEW REPORT

☐ F-01 Semiconductor Wafers Semiconductor

☐ F-02 Solar Photovoltaic(SPV) Polysilicon Semiconductor

☐ F-03 Solar Photovoltaic(SPV) Wafers Semiconductor

G. List of goods with Minimum Investment Threshold Limit of INR 1,000 crore

☐ G-01 Semiconductor Integrated Chips (ICs) including Logic (Microprocessor, Microcontrollers, Digital Signal Processors (DSP), Application Specific Integrated Circuits (ASICs), etc.; Memory, Analog/ Mixed Signal ICs, etc. Semiconductor

☐ G-02 Display fabrication units including Liquid Crystal Displays (LCD), Light Emitting Diode (LED), Organic Light Emitting Diode (OLED), etc. for electronic applications. Semiconductor

1A. List of goods with Minimum Investment Threshold Limit of INR 2 crore

☐ 1A Recycling facility for extraction of precious metals from e-waste components, including PCBs(both populated and bare), Li-Ion batteries, Spent magnets, Solar PV Panels, Catalytic converters and any other components from electronic waste(any one component or in combination) Extraction of Materials

☐ 1B Engineering, R&D, Testing and Tool Prototyping for capital goods for manufacturing of semiconductors / displays covered under SPECS Engineering, R&D

1B. List of goods/services with Minimum Investment Threshold Limit of INR 25 crore

☐ 1A Recycling facility for extraction of precious metals from e-waste components, including PCBs(both populated and bare), Li-Ion batteries, Spent magnets, Solar PV Panels, Catalytic converters and any other components from electronic waste(any one component or in combination) Extraction of Materials

☐ 1B Engineering, R&D, Testing and Tool Prototyping for capital goods for manufacturing of semiconductors / displays covered under SPECS Engineering, R&D
